Great Response to April Appeal Letter

In April we sent out a pretty honest letter sharing the financial needs of Standing Together, and we are so encouraged to report that God has since blessed us in a huge way. As the Lord lead some of our supporters to increase their monthly giving, He also blessed us with new support team members and some key larger financial gifts. Our financial position is much stronger as we head into the Summer, a season of giving which typically can be a little difficult as many ministries report. Honestly, the response of many of you receiving this newsletter has been incredibly encouraging and confirming to our work here in Utah. Additionally, two of our board member, Eric Nachtrieb and Linda Wilson, have stepped up to bring strong leadership in the area of development and this has been such an blessing. We would ask for your prayers as we move forward in this important area. We have initiated two new development plans that I would like to share with you.

HOME PRESENTATIONS:

We have begun to make *Home Presentations* where friends of Standing Together host a dessert, invite some of their friends that might be interested in supporting Standing Together, and letting us come and give a ministry report. If you would like to host such an event in your home, please give us a call and we would be delighted to partner with you directly in this way.

THE PRESIDENT'S CIRCLE:

We're excited to announce the development of *The President's Circle*, an opportunity for individuals to support Standing Together at a level of \$2,500 or more annually. It is our hope that through *the President's Circle* we can more firmly establish our ministry's infrastructure and our staffing needs. Members of *The President's Circle* will receive regular e-mail updates from our Director and be invited to an annual social gathering to hear first hand what God is doing in the work of Standing Together.

On a Personal Note...

It hardly seems possible that the Summer months have arrived. Our family is looking forward to some camping trips and Indiana and Reagan are excited that school ends this week, Indiana will finish third grade and Reagan will soon be a 1st grader, can you believe it? As for our younger two, Cali and baby America, life is good at 3 and 8 months. Jill and I are grateful for the many blessings we have at this time in our lives, we love living in Utah, we love the people and culture we serve in Utah, we love our local church K2, we love our kids, and more than anything we love Jesus and we love serving Him in the mission field of Utah. Thanks so much for your prayer and support. If we are serving the Lord by advancing biblical unity and spiritual transformation in Utah we know that we could not be doing so without YOU!
